LETTER OF RECOMMENDATION – TO WHOM IT MAY CONCERN

His Royal Majesty, King Tackie Teiko Tsuru II Ga Mantse, is pleased to note your decision to shoot a docu-fiction on Ghana, “**Ulysses from Ghana**” based on the play “**Slaves**” by the renowned playwright Abdallah, showcasing the rich tapestry of African myths and legends.

He notes that the play will feature Ghanaian actors and technical team which will showcase not only Ghanaian art but also their talent to international audiences. It will further help fuse art from Africa with artistic influences from the west.

Ghana and the Ga State in particular, is determined to promote tourism in Ghana, especially cultural tourism. He therefore believes that this successful docu-fiction will popularize Ghanaian art, culture and talent worldwide as the film is shown at festivals across the globe.

His Royal Majesty therefore extends to you and your team of producers, a warm welcome to our country and specifically to the Ga State and commends you for this initiative. He and his Elders will be delighted to work with you and assist you as far as is possible in the pre-production in Ghana and at all stages as shall be necessary and possible to the best of our ability.

Please accept the highest consideration of His Royal Majesty, King Tackie Teiko Tsuru II, Ga Mantse.

Yours Sincerely,

Justice Julia Naa-Yarley Sarkodie-Mensah

Chief of Staff

Office of the Ga Mantse.
